

## Pray for our National Leaders

### Pray for President Obama and his Administration

The State Department said it is working out the particulars for accepting help from 12 countries and international organizations in dealing with the massive oil spill in the Gulf of Mexico. In a meeting with senators, President Obama offered firm support for including greenhouse gas curbs, limiting greenhouse gas emissions, and putting a price on carbon, in legislation on climate change coming this summer.

*Pray for the ongoing work on the oil spill in the Gulf of Mexico and its impact on coming legislation.*

### Pray for our Congressional Leaders:

Rep. Steve Scalise (Louisiana) wanted to fly 10 lawmakers down to the Gulf of Mexico to see the damage caused by the BP oil spill, but was told he would not be able to use his congressional spending allowance for such a trip.

Rep. John Boehner (Ohio) has "floated" raising the retirement age to 70 in an effort to make Social Security more solvent in the coming years.

*Pray for our members of Congress as they seek for ways to reduce spending and the deficit.*

### Pray for our Judiciary:

As Supreme Court nominee Elena Kagan nears the end of the hearings with the Senate Judiciary Committee, the chairman of that committee has predicted that she will be confirmed. In a 5-4 ruling the Supreme Court upheld a California law school's denial of official recognition of a Christian student group – a group that refused to allow non-Christians to become voting members or leaders.

*Pray for Justice John Paul Stevens as he steps down from the Supreme court this month.*

Praying for our families,  
city, nation, world...

### Seek God to bring life from His people to the world

*"So everything will live where the river goes...By the river on its bank... will grow all kinds of trees for food. Their leaves will not wither and their fruit will not fail... and their fruit will be for food and their leaves for healing." -Ezekiel 47: 9, 12*

**Prayer Focus:** "You are sending a life-giving river to the world. Your life is already streaming from Your throne, releasing reviving power to us, and then through us to many more. The river may only be ankle deep at this hour. But we anticipate days of grace when nothing will hold back Your life from any place on earth. Unleash the river. Let it flow further than ever before. Remove whatever hinders Your goodness. Flood nations that have not yet known Your boundless transforming power. Establish Your people everywhere, as if they were feeding, healing trees amidst the nations."
